Program Overview

ELIGIBLE SMALL BUSINESS QUALIFICATIONS

- Small businesses, Micro-businesses and For-profit independent arts and cultural organizations (collectively, “Eligible Applicants”) must be currently viable and have begun operation on or before March 1, 2019 and continue to be in operation as of the date of application (may be shuttered due to COVID-19 restrictions).
 - “Viability” to be determined based on whether the applicant has positive net profit in 2019, as evidenced by reported net profit on the applicant’s 2019 federal tax return (see below).
- Eligible Applicants will be required to show loss of gross receipts as a result of the COVID-19 pandemic or compliance with COVID-19 health and safety protocols which resulted in business modifications, interruptions, or closures.

Program Overview

ELIGIBLE SMALL BUSINESS QUALIFICATIONS (cont.)

- Small businesses and Micro-businesses must:

 2. Demonstrate positive net profit on 2019 Business Return (\$1 or greater) (line 28, IRS Form 1120; line 22, IRS Form 1065; or line 31, IRS Form 1040 Schedule C).
 3. Demonstrate at least 25% loss in Annual Gross Receipts in a year-to-year gross receipt comparison as of December 31, 2020 to the same period in 2019.
 - Loss to be calculated based on the difference between line 1a on IRS Form 1120 or 1065 (line 1, IRS 1040 Schedule C) reported on 2019 federal tax return and line 1a on IRS Form 1120 or 1065 (line 1, IRS 1040 Schedule C) reported on the 2020 federal tax return (in each case covering the same period). Calculated value must show a reduction of 25% year over year. Businesses with a partial tax year in 2019 will calculate 25% loss based on the comparable number of months in 2020.
 4. Demonstrate that total expenses on 2020 Business Income Return are greater than the grant amounts.
 - Total expenses calculation versus proposed grant amount will be based on business expense reported on 2020 federal tax return submitted by the applicant

How to Link Your Bank Information in the Portal

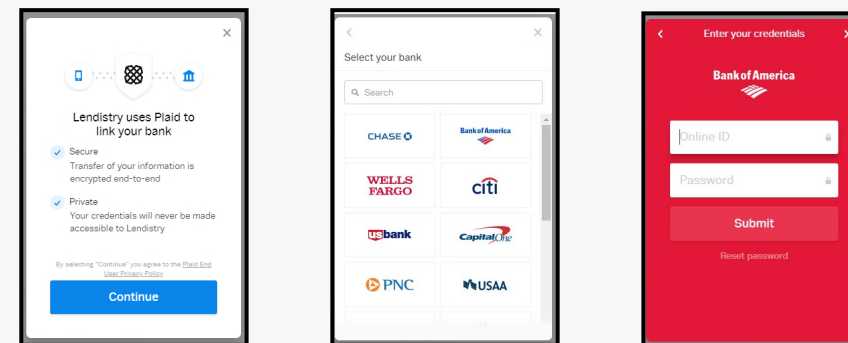

Lendistry uses a third-party technology (Plaid) to set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry's Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies. The use of personal information on or through Plaid is subject to Plaid's End User Privacy Policy (<https://plaid.com/legal/#end-user-privacy-policy>). Lendistry uses this technology to verify and review your bank statements. This method of bank verification is preferred, but may not be acceptable, including if your banking institution is not available through the provider. In this case, you can verify your bank account using other methods.

HOW TO VERIFY YOUR BANK ACCOUNT IN LENDISTRY'S PORTAL VIA PLAID

The screenshot shows the 'Upload Documents' section of the Lendistry portal. A red dashed box highlights the 'BANK INFO' tab and the 'Link Your Bank' button. Below the screenshot, two teal boxes labeled 'STEP 1' and 'STEP 2' are connected by a line, indicating the sequence of steps.

STEP 1

- Click on “Link Your Bank Account” to open a window for Plaid.
- Continue through Plaid and locate your banking institution.
- Sign into your online banking account and connect it to Lendistry's Portal.

STEP 2

This step must always be completed regardless of the verification method you use.

- Enter your bank information.
- The “**Business Account Name**” field is NOT your account type. This field is your account name, which must be in the name of your business and listed on your bank statements.
- If your business is a sole proprietor, the bank account can be a personal account, but it must match your name.
